## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

At Cheraw Primary School, our mission is to provide a positive, challenging, and enriched school environment that allows staff, parents, and the community to prepare students for the future. Cheraw Primary was recognized as one of forty schools earning an Absolute Rating of Excellent or Good with a poverty index of 90% or higher.

Cheraw Primary participated in the Summer Reading Project sponsored by the South Carolina Department of Education. This initiative provided each student with eight books to add to their personal libraries. This is a wonderful opportunity for our students to improve their fluency, stamina, and comprehension during the summer.

All of our teachers have participated in staff development in the areas of literacy, writing, mathematics, science, character education, and comprehensive health education. Pam King, a math consultant, provided sessions to assist with the implementation of the Common Core State Standards.

Cheraw Primary continued its Character Education Program by promoting life skills and civic responsibilities. Students were encouraged to exhibit exemplary character to promote social, emotional, and academic success. Six teachers are National Board Certified.

Parents, business, and community leaders supported our school through PTO, School Improvement Council, and a Volunteer Tutorial Program. Cheraw Primary School consistently promotes its thriving volunteer program by logging many productive hours each year. A partnership has been established with First Steps to offer an Incredible Years Parenting Program.

Our school participated in service projects which included collecting non-perishable items for the McArn Food Bank, supporting Relay for Life, March of Dimes, and the United Way. Our dedicated faculty and staff have worked diligently to create an environment that promotes student success. As reflected in our school motto, "We Just Can't Hide Our Papoose Pride."
